Cedar Bluff Overnight Camp strives to be all inclusive of youth. Safety of our participants is of utmost importance to us. Therefore, if your child works under an IEP (Individual Education Plan) during the school year, for any reason emotional, social, behavioral or physical and/or requires one on one attention, we ask that you share this information with your local extension staff prior to sending them to camp. This will allow us to come up with a plan of action that is best for your child and the entire camp group. K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Reasonable accommodations for persons with disabilities may be requested by contacting Kelsi Luman at 785-673-4805 or kjwertz@ksu.edu two weeks prior to the event
