Since 1946, thousands of campers have come to Rock Springs Ranch. They unplug, explore, play and learn the kinds of lessons that can last a lifetime. Outside of the traditional learning environment, campers grow socially, emotionally, physically and cognitively. Many make friends for life. It's also just simple, pure FUN!

“CAMP AT ROCK SPRINGS RANCH IS THE BEST!”

We're so excited about 4-H camp at Rock Springs Ranch! Our goal is to teach the positive youth development of Kansas 4-H and introduce our Centers of Excellence in Leadership, Conservation and Sportsmanship. We have created a truly formative experience for our campers under the endless skies of the beautiful tallgrass prairie of the Flint Hills.

Traditional 4-H Camp

EXPLORERS - Ages 8-10 (rising 3rd-5th graders)

Our youngest campers will work on gaining their independence, making new friends and discovering the larger world around them. While at camp they will enjoy archery, BBs, swimming, intro to horses, corcles, our giant swing and many more fun activities! This group will also have the highest staff to camper ratios.

TRAILBLAZERS - Ages 11-13 (rising 6th-8th graders)

This group has greater access to activities and will spend time with more campers in their age group working on skills development. Activities include 3D archery, swimming, horses, rifles, canoes, climbing wall, stream study and more!

ADVENTURERS - Ages 14-17 (rising high schoolers)

This is the oldest group in our “traditional” camp. Adventurers spend most of their time at activities they choose making friendships that will last a lifetime. Activities are at the top tier of 4-H camp at Rock Springs Ranch offerings including aerial archery, swimming, horses, trap shooting, kayaks, high ropes and zipline.

Teen Leadership Camp

In addition to our traditional camp, we offer two unique camping experiences for older youth who are eager to take on greater challenges and advance their leadership skills.

LEADERS IN TRAINING - (rising 10th and 11th graders)

Leaders in Training (LIT) focuses on leadership and community development programming along with a service project. There will also be time to just relax, make new friends and enjoy other camp activities. This is an excellent progression if a camper thinks they may want to learn skills that transcend camp, advance to Counselors in Training or join RSR staff in the future.

COUNSELORS IN TRAINING - (rising 12th graders)

Counselors in Training (CIT) is a hands-on progression that develops the leadership abilities to help teens on the path from camper to counselor. Throughout the week, they will receive camper care training and counselor experience while improving their leadership skills and being mentored by youth development staff. They will also enjoy “camp” time with peers built into each day.
